

2017-18 Student-Athlete Tutor Verification Summary Report

Each student-athlete will deliver a signed Student-Athlete Tutoring Verification Summary Report to the Athletics Academic Advising Office UC 235 (or place it in the Athletics Academic Advising dropbox that is accessible through the office door) by 9 a.m. on Monday to report any tutoring (University- or Athletics-provided individual tutoring) that was received in the previous week. Reports received by 12 noon on Friday will be credited to the current week's Study Hall report for WIN student-athletes. All documented tutoring may count toward weekly WIN Study Hall hours.

Student-athletes who receive tutoring will complete one line of the table (below) each time she/he ends a tutoring session. If you receive tutoring along with one or more other student-athletes, only one form needs to be submitted for all student-athletes, as long as all student names are listed on this form. Print the tutor's name on the record for each session. This form must be completed for all University-provided (e.g., Library Tutoring Center, College of Business tutoring, College of Engineering tutoring) and Athletics-provided individual tutoring used by a student-athlete. You do not need to complete this form for tutoring that you receive from Athletics Study Hall tutors while you are logged-in to Study Hall.

For students enrolled in MATH 1000 and MATH 1130, Study Hall credit for Math Emporium hours will be subject to approval of your head coach. Weekly Math Emporium hours that are required by your professor are an integral part of the course and typically will not count toward study hall. With head coach approval, however, a portion of your hours may be countable.

Failure by student-athletes who had received Athletics-provided tutoring to submit weekly summaries by 9 a.m. Monday (Tuesday when Monday is a holiday) will result in your notification by an Athletic Academic Advisor. If a Summary Report is then not received by 9 a.m. Tuesday, your head coach will be notified. Subsequent failure to comply with reporting requirements will result in restriction or termination of Athletics-provided tutoring privileges.
