Athletic Trainer assigned to your team:

Sports Medicine Department

TTU Athletic Insurance is Secondary Insurance
Covers only through TTU Network Providers

Non-Emergency Medical Treatment must be set up by Training Staff

Second Opinions Only Paid if Written Referral from TTU Medical Staff

Treatment Outside TTU Network not covered
unless Written Referral from TTU Medical Staff

This is for the use of Student-Athletes. In case of injury or illness it is requested you follow the procedures listed below:

1. Report all injuries to the athletic training staff.
2. ***TTU athletic insurance only covers injuries that occur in practice or competition.*** You need approval and a referral from the athletic training staff prior to seeing a physician for an athletic injury.

3. Report injuries not occurring at practice or illnesses to the athletic training staff.
4. Injuries occurring outside of practice or competition and illnesses may be seen (recommended) by a physician or physician assistant at the Student Health Services at no cost (other than medications).
5. You also must notify your coach of a medical problem.
6. All prescriptions for athletic injuries must be authorized by the Athletic Training Staff prior to filling.
7. Keep in mind that eligibility for the NCAA Special Assistance fund must be confirmed with the financial aid office prior to authorizing bills to TTU.
